**BOARD OF SUPERVISORS**  
County of Placer

TO: Board of Supervisors  
FROM: Teri Ivaldi, Chief of Staff  
SUBJECT: COMMITTEE AND COMMISSIONS – Hazardous Vegetation Abatement Hearing  
Body – Approve the appointment of Alphonso (George) Alves to Seat #2, to the Hazardous Vegetation Abatement Hearing Body as primary member

DATE: July 25, 2017

---

**ACTION REQUESTED**

Approve the appointment of Alphonso (George) Alves to Seat #2, to the Hazardous Vegetation Abatement Hearing Body as primary member

**BACKGROUND**

Your Board established the Hazardous Vegetation Abatement (HVA) Ordinance on November 6, 2007 by ordinance 5491-B in response to several destructive fires in the Eastern portions of both Placer and El Dorado Counties. The ordinance was further expanded to include select Central and Western Placer County Communities. The ordinance currently applies to the following jurisdictions: North Tahoe Fire Protection District, Alpine Springs County Water District, Squaw Valley Public Service District, Northstar Community Services District, Foresthill Fire Protection District, Loomis Fire Protection District, Penryn Fire Protection District and in the Placer County fire service area.

In addition to the many details discussed in the HVA ordinance, the ordinance created a hearing body to hear appeals from property owners who have been engaged but have not responded during the cooperative process and have been served with a "Notice to Abate". The hearing body shall have the authority to amend, dismiss or uphold the "Notice to Abate" with a majority vote. The hearing body consists of a representative seated by the Eastern Placer County Fire Chiefs; and two primary and two alternate "citizens at large" members appointed by the Placer County Board of Supervisors. (Copy of application(s) is on file at the Clerk of the Board's office).
